SEARCHING FOR A MAN.

This Man Is Thought to Have Committed Suicide.

Alton, N. H., Sept. 7.—All available men in this vicinity are assisting in the search for Hollis Ellis, who disappeared from his home a week ago Tuesday, and of whom no trace has been obtained since that time.

Squads of men searched all night, in the woods hereabout, the systematic hunt having begun Tuesday afternoon at 3 o'clock, when a general alarm was sounded by the fire bell and men were sent in all direction.

It is said that Ellis has been addicted to the use of intoxicants, and on one occasion he attempted to end his life by cutting his throat.

These and other reports give rise to the general belief that he has committed suicide.

A bundle of underclothing has been found in the woods near the village, but they bore no marks indicating who their owner might be. Ellis' widowed mother, with whom he made his home, is now in Laconia, and she alone will be able to state whether or not the clothes belonged to her son.

Ellis is about 25 years old, and he and his mother have been in circumstances closely approaching destitution.

A TRAGEDY AVOIDED.

But Would-Be Slayer Made Away With Himself.

New York, Sept. 7.—Frank Cassario, a young Porto Rican calling yesterday at the home of a young woman with whom he was in love, and finding her away, pinned a note on his coat lapel and fired four shots into his body. He was dead when found.

Cassario recently secured employment as a waiter in a restaurant conducted by Frances Westin. He fell in love with his employer and was so persistent in his attentions that he was finally discharged.

According to the note he had pinned to his coat, Cassario had intended to kill Miss Westin, as well as himself, when he set out for her home yesterday.

PAINTS

You could not ask for a better time to paint outside than now, as it rains just often enough to keep the dust down and paint dries very quickly, besides oil and lead, or mixed paint, will strike into the fibres of wood better when put on in warm weather. We have a strictly pure lead "Old Process" and pure linseed oil. Also "Town and County" brand of Mixed Paint, which we have sold for about twenty years. None better made. Requires much thinning and oil is low now.
